

When thousands of people all over the world join hearts and souls together to chant for world love, peace and harmony, the power of our collective consciousness and desire creates a direct connection to the Source.

The Love Peace Harmony Movement™ gathers hearts and souls together to create love, peace and harmony for every individual, Mother Earth and all universes. By 2020, we hope to inspire 1.5 billion people to sing *Love, Peace and Harmony* for 15 minutes every day.
